in classes V & VI (for both Boys & Girls) for the Academic Session 2021-22.**

**Vision of the Centre:** To provide quality education to bright and promising children from poor families of the Tribal and Dalit communities; thus, uplift these communities.

St. Arnold's School, Jhartarang, is a CBSE School catering quality education to more than 2900 students including more than 900 tribal and dalit students. Why not extend its facility to some more tribal and dalit students, who are brilliant but poor, and do not get an opportunity to study in a quality educational institution? So, St. Arnold's Centre of Excellence is constructed in the school compound to board promising students from tribal and dalit communities, who will study in St. Arnold's School.
